Jet Boats Deliver Thrilling River Ride in Wisconsin Dells

WISCONSIN DELLS, Wis. (May 15, 2022) – A high-speed jet boat ride on the Wisconsin River offers a wonderful way to beat the heat on a summer trip to Wisconsin Dells. Jet Boat Adventures begins its summer run in mid-May, taking visitors out on the water to see the beautiful scenery and cool down with big sprays of water.

“The Wisconsin River is the Dells’ natural waterpark with Jet Boat Adventures revving up the action all summer long,” said Dan Gavinski, general manager of Dells Boat Tours.

With speed and precision, expert pilots take passengers on a not-so-leisure 50-minute excursion. The high-performance boats, fueled by up to 1200-horsepower engines, are designed to skim the water with the help of powerful air jets which allow it to travel in water as shallow as 12 inches. The thrill ride focuses on fast speeds, power stops and big sprays. Expert pilots throttle the Jet Boat up to 40 mph and perform spinouts, quick stops and skilled maneuvers that create large waves of water sure to leave passengers drenched.

“You can enjoy the Jet Boats in your street clothes, but you should bring a towel because you will get wet!” added Gavinski.

Jet Boat tours are set against an awesome backdrop, the towering sandstone bluffs that line the Wisconsin River. Experienced pilots know the river well and throughout the adventure they share fun facts about the Dells' famous scenery. Taking it all in at warp speed may seem like a blur, so passengers are encouraged to see the bluffs again in real time aboard one of the many other river excursions offered by Dells Boat Tours. Money-saving combination packages are available with Upper Dells or Lower Dells boat cruises as well as with Original Wisconsin Ducks amphibious tours, giving visitors a variety of ways to get on the water to see the beautiful scenery.

Jet Boats operate on both the Upper Dells and the Lower Dells with ticket booths located at either end of the bridge over the dam where the Jet Boats launch from the boat docks. Tickets can be purchased online at www.jetboatadv.com. Prices are \$32 for adults ages 12 and older and \$16 for children ages 4 to 11. Parents are advised that children ages three and younger are not permitted to ride the Jet Boats.

Jet Boat Adventures 2022 season runs mid-May through mid-October. Call for departure times during the late spring and early fall as they fluctuate with the weather. Otherwise, visitors are sure to catch a Jet Boat ride every 30 – 45 minutes 10:00 a.m. to 7:00 p.m. during the peak summer season.

The splash-and-dash Jet Boat Adventures are one of several tour options offered by Dells Boats Tours. For more than 165 years, Dells Boat Tours have been a mainstay attraction in Wisconsin Dells delighting travelers of all ages. Tours run on a 7½-mile stretch of the Wisconsin River giving vacationers an up-close view of the rocky cliffs that are the signature of Wisconsin Dells.
